

Sycor Group: 2011 Microsoft Dynamics President's Club Member

The Sycor Group is a 2011 President's Club for Microsoft Dynamics member. This acknowledgment of Sycor's continued efforts aimed at offering and implementing solutions that meet the specific needs of its customers and high level of sales achievement came during the Microsoft Worldwide Partner Conference (WPC), which took place in Los Angeles on July 14.

(Göttingen, Germany) The Sycor Group, one of Germany's largest comprehensive IT service providers for Microsoft Dynamics AX environments, has been named to the 2011 Microsoft Dynamics President's Club.

"Microsoft is proud to recognize Sycor for its outstanding sales achievement," said Doug Kennedy, vice president, Microsoft Dynamics Partners. "This honor is a direct reflection of Sycor's outstanding group of employees and management team, all of whom should be very proud of this accomplishment. Sycor plays a very important role in the growth and success of Microsoft Dynamics."

The Microsoft Dynamics President's Club honors high-performing Microsoft Dynamics partners. This prestigious group represents the top 5 percent of Microsoft Dynamics partners worldwide. Membership is granted based on their continual, committed efforts aimed at offering solutions that meet the needs of their customers, reflected in their business success and growth.

As a Microsoft Gold Certified Partner, Sycor offers a full range of cross-industry services for Microsoft Dynamics AX including consulting, development and training. Sycor also delivers comprehensive operation services, from hosting to multilingual support. The company's consultants and developers have gained a wealth of process expertise and experience with Microsoft Dynamics AX installations for between 20 and 1100 concurrent users. With industry solutions based on Microsoft Dynamics AX and teams of experts Sycor supports companies in the mobile goods rental, process and manufacturing, and retail industries.

“We are proud to have been named to the 2011 Microsoft Dynamics President’s Club. This is both, proof of our strategic efforts to offer tailored, quality-assured solutions to our customers meeting their specific needs and an incentive for continual improvement,” says Dr. Thomas Wüstefeld, CEO of SYCOR Aixonix GmbH. Being a 2011 President’s Club for Microsoft Dynamics member enables Sycor to collaborate even closer with the teams at Microsoft. Therefore, the company will maintain a comprehensive understanding of the Microsoft Dynamics platform. “We will continue providing innovative solutions, high-quality services and unparalleled added value to our customers,” adds Thomas Wüstefeld.

About Sycor:

As a service provider with over 300 employees throughout the world, the Sycor Group covers the whole spectrum of information and communications technology. With headquarters in Göttingen and further locations in Wiesbaden, Hamburg, Stuttgart, Aachen, Pittsburgh (USA), Montreal (Canada), Singapore, Shanghai (China) and Kuala Lumpur (Malaysia), the company is as international as many of its customers. In addition to management and strategy consulting, Sycor primarily provides Microsoft Dynamics AX services as well as a comprehensive range of ICT services.

As a Microsoft Gold Certified Partner, the company has become one of Germany's largest comprehensive IT service providers for Microsoft Dynamics AX environments.

The company's full range of cross-industry services encompasses consulting, development and training. Sycor implements solutions based on experience from many international rollouts and certified project management methods and assumes a project leadership role. Sycor also delivers comprehensive operation services, from hosting to multilingual support. Through numerous domestic and international projects, the company's consultants and developers have gained a wealth of process expertise and experience with Microsoft Dynamics AX installations for between 20 and 1100 concurrent users.
